LOOKING FOR THIEF. Fred Bussino, Mt. Helly Farmer, Charged with Burglary and Arson. The sheriff department of Rutland

county and northern New York are searching for Fred Bussino, a farmer in Mount Holly, that they may serve on him a warrant charging burglary and arson. It is alleged that for some time Bussino has been stealing regularly from the neighbors and even from persons miles away, driving about at night with the remedy.

Next time you feel a twinge of pain in the back or are troubled with headache, indigestion, insomnia, irritation in the hisder or pain in the loins and lower abdomen, you will find quick and sure relief in GOLD MEDAL Haarlem Oil Capsules. This old and tried remedy for kidney trouble and allied derangements has stood the test for hundreds of years. It does the work. Pains and troubles vanish and new life and health will come as you continue their use. When completely restored to your usual vigor, continue taking a capsule or two each day.

GOLD MEDAL Haarlem Oil Capsules are imported from the laboratories at Haarlem, Holland. Do not accept a substitute, In scaled boxes, three sizes.

Miles away, driving about at night with a heavy team and storing in his attrie at home all the household furniture and farm equipment which he stole. A search of his premises last week revealed a quantity of articles which neighbors have rescognized as their missing property. Miss Ellen Perkins, who was in the Rutland hospital for some weeks, returned home to find her house rausacked from cellar to garret, not enough furniture being left with which to keep house even in a rough way. Much of her property was found in the Bussino attic and the search there also threw light on what had always been a mystery, the burning of the home of Mrs. Eliza Spear, in Mount Holly, while unoccupied, last July. There was a suspleion then that the fire was incendiary and when most a heavy team and storing in his attic at the fire was incendiary and when most the commission to conduct the drive in Bussino's it was thought probable that the state and county chairmen have been he fired the building to cover up the whole theft, everything of value having
